Dear Crayons4Kids:

C/O Dr. Michael Leinwand
Children's Hospital at Bronson
Department of Pediatric Surgery, Suite W 308
601 John Street
Kalamazoo, MI 49007

I am writing on behalf of the staff of the Bronson NICU to say a tremendous thank you for the generous donation of games, books, crayons and activity pads for young children. These will benefit the young brothers and sister of our babies in the NICU. As you probably understand, hospital rooms and units aren't always the easiest places for kids to spend time. This will help them so their parents can focus on caring for the new baby. These items will be kept in the sibling shelf of our Parent and Sibling Library and available to boys or girls who needs something to cheer them up, or to stay busy.

Thanks for the part you play by helping kids through their or their brother or sister's hospital experience. What a great cause to get behind. Keep up the good work!

Very sincerely,

Lisa Batsell, MSW
