

S O M U C H !

for doing all you do,

Dear Emily and Matt:

What an amazing job you both did on operation Scribble 2006! you make such a huge difference in the lives of the patients on Pediatrics and in the ER through the child life Dept. Your words during the channel 3 TV interview were said with honor and humility! I count myself so very lucky to know you both!!

for caring as you care...

THANKS
