

Dear Matt & Emily -

This donation is being made to honor the memory of our son Patrick. He was quite an amazing little boy. His favorite color was purple and he loved the movie "Cars." He really liked the gift bag full of fun activities to do while he had to stay in bed. His big brother Philip is now enjoying the Lego's.

You provide such a wonderful service to the sick children that have to be hospitalized. God has blessed the two of you with loving hearts. Please know the work you are doing really makes a difference in the lives of the one's you touch!

God Bless you Both!

Harin, Kurt & Philip Schichtel
